Why?

Eid al-Adha is celebrated by Muslims around the world to commemorate the completion of Hajj. As part of this celebration, Muslims honour Prophet Ibrahim (AS) through the obligatory sacrificial slaughter of animals, known as Qurbani. Penny Appeal Canada is committed to making this religious obligation accessible.

This year, we carried out Qurbani for our donors in India, Pakistan, Bangladesh, Uganda, South Africa, Zimbabwe, Yemen, Palestine and Canada in order to address the immediate nutritional needs in each of these countries. With COVID-19, families who were already vulnerable are facing increased financial insecurity.
